

Confirmation with regard to compliance with the REACH Regulation (EC) No. 1907/2006

As importers according to its definition, BBC Bircher AG and its subsidiaries hereby declare compliance with the EC Regulation No. 1907/2006.

None of the goods (neither products nor their packaging) supplied by us to our customers contain more than 0.1 percent by weight (w/w) of substances, which are:

- within the scope published in the current candidate list (valid as of 16th July 2019) to Appendix XIV of the REACH Regulation,
- or
- Classified in the "Globally Harmonized System of Classification and Labelling of Chemicals" (GHS) or in the European "Classification, Labelling and Packaging (CLP) Regulation 1272/2008" and all eleven Adaptations to Technical Progress (ATP) as CMR substances according to Categories 1 and 2.

If our products should contain substances, which are included on the candidate list of Appendix XIV of the REACH Regulation, of more than 0.1 percent by weight (w/w) in the future, we pledge to inform our customers immediately.

Beringen, 14th August 2019
